Committee Reports:

Sunshine: Jenny Hart gave the report and advised that Pam Pumphrey was unable to attend as Don has been in the hospital with a ruptured appendix; he is home now and would appreciate calls. Bob Brown is back and received a hearty welcome. Russ Hayes was reported to be doing okay after his recent problems.

Treasurer's Report: - Norm Madsen presented the report; details are available from Norm.

Tour Committee: Norm Madsen presented news about two unique upcoming tours; one in July and one in August. On **July 29** members will be given a tour of the Grove (constructed in 1840 and known as the Call/Collins House at the Grove), which is next to the Governor's Mansion, at a group rate of \$1 per person. The tour will be followed by lunch (at a place to be determined), followed by a tour of Lichgate built by FSU English professor, Laura Jepsen. Email to follow with additional details.

On **August 19**, there will be a tour to Chattahoochee to visit the Apalachicola Arsenal, constructed under Andrew Jackson and used in the Civil War. The history of the Arsenal will be provided by a historian followed by a catered lunch; there will then be a visit to an American Indian mound. Email to follow with details.

The Tour Committee members met after the meeting.

Show Committee: The Show Committee has begun planning the Spring Honor Flight show to be held on 3/24/18. Craig McCollum is helping Pam Pumphrey with the show.

Craig McCollum provided an update on the success of the Monticello Watermelon Festival Car Show. It was lots of fun and the Club made some money. The show was held in memory of Bobby Hollingsworth and Nell Hollingsworth won the club trophy. Thanks to everyone for their help and donations.

It was also announced that there will be a Show in Auburndale on October 28; details can be found in the Newsletter.

Membership Committee: An information sheet was sent to the members for review. Phil Reichert will update it based on comments received. The current version may be used until the next update. It should be given out at other shows and when reaching out to potential members. If you have a picture you would like to be considered for inclusion in the flyer, please email it to Phil.

We need to develop text for business cards. Thanks to Victor Hajos for offering to provide these.

Jack Hanbury provided an update on the Lively scholarships. All is going well. He provided details of the program for the benefit of the JP II visitors. The answer is yes and members making specific donations are asked to note on their checks that the funds are specifically for the purpose of the scholarships for accounting purposes.

Program: JP II students (our visitors, Zach, Seth, and Ariana) who participated in the Great Race X Cup Team 2017 Race (X Cup is for student entrants) provided a slide show and provided enlightening commentary detailing their adventure. The race was held June 23 – July 2; it began in Jacksonville, Florida and ended in Traverse City, Michigan. The car these adventurous students found and repaired over and over again throughout the race was a 1966 Ford Thunderbird. They had quite an adventure and are very much looking forward to doing it again in 2018. Norm Madsen asked them to provide the Club with their contact information. All three JP II students have joined the National AACA and, as such, the club has offered to provide them with complimentary memberships in the TRAACA for the rest of the year.

Next Meeting:

The next meeting will be held on Tuesday, August 8, 2017 at the **OLD** Tallahassee Auto Museum beginning at 6:00 PM with dinner. The meeting ended at 8:22 p.m.

Watermelon Festival Car Show 2017

The 10th annual Watermelon Car Show was held in conjunction with the 67th

Watermelon Festival in the Monticello Farmers and Merchants Bank parking lot on Saturday 17 Jun 2017. This year there were 60 entries in the categories of Antiques, Classics, Late Models, Hot Rods, Modifieds, and Trucks. Some of the club members drove in the parade prior to the show.

The TRAACA Cub Trophy went Nell Hollingsworth with her 1959 Ford Galaxie 500. This show was also dedicated to her late husband Robert who along with Nell have participated in every one of the previous 9 car shows and parades. Nell along with her daughters Lynn and Debbie also drove in the parade this year. The TRAACA Trophy is unique as it is limited to TRAACA members, since their cars are not eligible for other trophies.
