Madison "Down Home Days" Car Show Submitted by Craig McCollum

Only 27 vehicles registered for the Madison Down Home Days car show on April 19th, 2014, likely due to the rain and cool weather. Pictures prove that at least some of our TRAACA members are a hardy bunch.

The rain let up for the parade and show but no sun. Most members drove in the parade. Two members each won a \$50 cash prize. Can't give their names due to a non-discloser agreement.

Every entry won a prize. I saw our members with umbrellas, model trucks, oil change certificate, tools, etc.

I plan to donate my prize to the 7th Annual Wally Bentley Memorial Watermelon Festival car show. Photos follow. Craig McCollum

TALLAHASSEE REGION, AACA
MEETING MINUTES
March 08, 2014

Tallahassee Antique Car Museum (Old Location)

There were approximately 46 members present.
With two guests from Wal-Mart; Greg and Kim.

Opening Prayer: Ed Shuler

Welcome: Don Pumphrey
Don welcomed everyone.

50/50 Drawing: Lori Forster
The winner was Sue Aigotti.

Announcements & Reports: Don Pumphrey

1. Don told about Jim and Jean Healy having Club shirts and caps available for members.
2. Don introduced Kim Shaw representing the North Thomasville Road Wal-Mart store. Last year, Wal-Mart sponsored a car show at the store with proceeds going to a charity. The show was not very well presented and they were here to ask for our assistance about how to put on a show and when would be a good date for this year. We determined that May 17th would be suitable for us and them. Norm had earlier set a short meeting after this meeting for the Monticello Watermelon Festival committee and invited them to join in. We have made no commitment to do any more than just to participate on an individual basis. Their charity this year will be the "Children's Miracle Network" at Shands Hospital.
3. Craig Brown noted that the Thomasville Rose Show will have a car show as part of their festivities on April 26th.
4. Garage Saturday will be held April 12th and 26th at Neal Davis' shop in Quincy. Project will be to install a new wiring harness in Dennis Tober's 1940 LaSalle beginning at 8:30 AM.

Old Business: None.

New Business: Don Pumphrey
The Executive Board met on March 6th and recommended that the club should look into the cost and availability of buying a wireless microphone that could be used with our existing sound equipment. This would be of the type that clips on clothing and would not have to be held. The club approved this last month. Don found a unit that is compatible with our existing amplifier and put it in use today.

Program: Gary Edwards
Gary presented an excellent program describing the cars of the Floyd Garret Muscle Car Museum in Sevierville, Tennessee. He gave an overview of the muscle cars of the sixty's. He even spoke about non-Pontiac cars!

Ramblings and Roving's of
Junkyard Dog & Fluffy - with Stray Dogs**

This guy had "stuff" in his dad's garage

By
Jack Hanbury

When the dogs get that call or hear of a place we need to see, that's when we "Gotta go!"

The "stuff" this time was south of Tallahassee. Remember what "stuff" is ?

This guy had his "stuff" in his dad's garage. There were Chevy motors, doors, fenders, tail gates and many more parts.

In his main shop we found a 1965 Chevy pick-up. It was in the process of being put back together. Probably using some of the parts mentioned before.

There were many working tools, jacks and an old machine for checking old electrical things.

I think it was called a diagnostic machine. It had not been used for many years.

Anyway, always remember, wherever you go, there you are! Keep on sniffing.

The Dogs; now and always.
