July 8, 2014

Tallahassee Antique Car Museum (Old Location)

There were approximately 44 members present along with three guests.

Announcements & Reports: Don Pumphrey

Don listed the birthdays for the month of July and noted that Randy Cook has written a book entitled "Bowtie Ferraris" covering 70 Ferraris from the 50s and 60s that were upgraded with small block Chevrolet engines. They were installed in order to keep them on the track, on the streets or out of the junkyard! Several significant Ferraris were re-engineered in this manner. The book is scheduled to debut on October 15, 2014.

The Wal-Mart on North Thomasville Road has decided not to have a show in October as reported last month due to many conflicts in the fall. They probably will reschedule for the spring of next year.

Dan & Pat Baxter described the Model T tour in and around Boone, N.C.

**From your Reporters in the field:
Ramblings and Roving's of Junkyd Dog & Fluffy**

Junkyard Dog and Fluffy on the road again

A little history to explain Camping trailers.

Airstream being the big gun in Vintage Camping Trailers, anything below 18 feet from bumper to hitch. Company's like Shasta Trailer out of Columbia, SC had a big part of the market with little tow weight and vehicles with small horsepower. The smaller in size for vintage campers the higher in price and demand. Hobbyist still look for these today and they look good behind an old car. Junkyard Dog and Fluffy

Keep on sniffing, you never know what you'll find.
